

Food Safety Policy

Food Safety and Quality is an integral part of Mowi's Group business principles.

At Mowi, our commitment is to never compromise on the safety, compliance and quality of our products and services. This requires everybody to be engaged, to understand their responsibility and to be empowered to take action in order to protect individuals and families, our customers and our brands.

Mowi's commitment to quality and safety

- Build a quality and food safety capability, mindset and culture through structured programs that develop employees' competencies and technical skills, increase awareness, manage risk and drive increasing levels of excellence across the organization.
- Meet and ensure all analysis results shows that levels are well below limits set by the Food Safety Authorities both in producing countries and in the markets where we sell our fish and feed.
- Be a trustworthy company for our stakeholders, by meeting the safety and quality expectations of our customers and consumers.
- Able to track and trace affected products if an adverse incident occurs
- Through internal and external audits we validate the effectiveness of the quality and food safety management systems.
- Ensure a sustainable quality and food safety culture through the implementation, certification and continuous improvement of effective quality and food safety management systems compliant with a Global Food Safety Initiatives (GFSI) recognized standard.
- We annually review and report on the progress of the company's performance in implementing this policy
