	Motile L.salmonis	Motile C.clemensi	Non-motile chalimus
Apr 08-09	1.25	0.45	0.47

Management action is currently underway at Shelter Pass

Due to differing circumstances for managing sea lice in British Columbia  
Mowi Canada West has been granted an exception to indicator 3.1.7;  
sea lice are instead managed in accordance with our Pacific Aquaculture Regulation.
