	Motile L.salmonis	Motile C.clemensi	Non-motile chalimus
Feb 14-15	15.98	0.43	1.95

Management action is currently underway at Koskimo

Due to differing circumstances for managing sea lice in British Columbia Mowi Canada West has been granted an exception to indicator 3.1.7; sea lice are instead managed in accordance with our Pacific Aquaculture Regulation.
