Sampling Date	Average Count Per Fish		
	Motile L.salmonis	Motile C.clemensi	Non-motile chalimus
May 09	7.78	0	0.6

Management action is currently underway at Monday Rocks

Due to differing circumstances for managing sea lice in British Columbia Mowi Canada West has been granted an exception to indicator 3.1.7; sea lice are instead managed in accordance with our Pacific Aquaculture Regulation.
